Description

Kontak has developed and patented an innovative system that diffuses in the air the volatile fraction of propolis: the only one of its kind to fully exploit the properties of sanitizing the air and its probiotic action on the whole organism. Kontak combines a passion for propolis with a scientific approach, investing in research and development, and collaborating with doctors and specialists. Specializing in Propolis, Kontak proposes PROPOLAIR the original system of Propolis Diffusers, PROPOLIT a line of sprays, syrups, extracts, Candy and Chewing Gum of Organic Italian Propolis and I TESORI DELL'ALVEARE a line of organic products with the most precious Italian goodness of the hive. THE GUARANTEE OF THE HIGHEST QUALITY ITALIAN PROPOLIS!
