Description

CATERING & EVENTS ORGANIZATION.

BK1 is a company dedicated to catering and organization of events with food as protagonist. Our values are the ongoing research of excellence and the pleasure of taste; for us caterer means Good Food, because our menus are made with always fresh and high quality products; Creativity, because we offer our guests a different menu for each taste, an idea for any need, an event never same as another; Culinary Art, because food and wine rise to moments and experiments of pleasure.

We can create and organize for companies coffee break, lunch, cocktail, buffet, gala dinner, after dinner party, fair services, company celebrations, opening, team building, and all the projects you have in mind!
