Idea

ICBMC - A BRIDGE BETWEEN CHINA AND ITALY 我们是中国和意大利之间的桥梁

when entering into A business contract, last thing businessmen think about is how to cope with disagreements and the COSTS of them in terms of time/money and wasted business occasions. The Italy China Business mediation centre is a dispute resolution provider jointly managed by Milan Chamber of Arbitration and the Mediation Centre of CCPIT in Beijing and helps business partners to overcome possible issues arising during their relationship through mediation. though mediation is - with the agreement of the parties involved - always usable, it would be advisable to add a mediation clause in the contract. I will be there to give information to those who would know more.

中意商业调解中心是米兰仲裁局和总部设于北京的中国贸促会调解中心共同管理的争端解决机构。
