### Description

Born in 2013, ***Didacto Servizi Srl***, offers administrative services, providing outsourced solutions to meet the administrative, financial, brokerage and marketing services to other companies

**We provide Administrative and Fiscal support and resources. Our expertise includes accounting, enterprise planning and organization. Our experience is complete in assisting companies with meetings and events planning and organization, budget management, and vendor/supplier negotiations. Our results include cost savings, streamlining policies and procedures, and providing a single point of contact of all business needs. Web marketing service, including website, social media, creation of web contents, is one of the goals we want to join to help our clients' websites to unprecedented levels of success. Through effective online marketing strategies we help clients turn into business' most powerful lead generator.**

**We are also the owners of [www.tripaz.net](http://www.tripaz.net), a national travel research engine born to promote TOs travel packages. Travellers can easily find their preferred vacation, choosing by period, destination or kind of interest. All vacations are classified in 20 travel motivations.**
