Bilateral Meetings

- Tuesday (09:00 am - 01:30 pm)
- Tuesday (14:00 pm - 17:00 pm)

Description

Gea Energy Srl was born in 2010 at the behest of a group of young entrepreneurs. The company's activity is focused on the realization of plants for the production of electricity from renewable energy sources, in particular with photovoltaics and wind energy.

Gea Energy Srl, with the collaboration of good professionals who work in different sectors, arises in renewable energy and energy conservation, as ESCO (Energy Service Company) eats EPC (Engineering – Procurement and Construction), intending to follow the whole process related to realization of works.

Relying on Energy Gea means having the assurance of a quality solution made of safe and functional, that ensure high performance over time.
