## Bilateral Meetings

- Tuesday (09:00 am - 01:30 pm)

### Description

UK Export Finance (UKEF) is a government department and the UK's export credit agency. Over the years, we have helped thousands of overseas buyers around the world to finance their purchases of UK goods and services. If you are planning to import capital or semi-capital goods or services from the UK, then it is possible that you will need to arrange attractive terms of finance for your purchases. By either lending to you directly, or guaranteeing a loan from a commercial bank, UK Export Finance can provide support which could in turn finance up to 85 per cent of the value of your export contract. In 2013-14 we supported more than US\$3.6 billion of export contracts across a wide range of sectors including engineering, construction, infrastructure, agro-food manufacturing, water and healthcare.
