

Centro Estero Umbria Umbria Trade Agency

<http://www.centroesteroumbria.com>

Description

Umbria Trade Agency is the internationalisation agency of the Umbria Region and Chamber of Commerce of Perugia and Terni. It has been involved in several international cooperation projects focusing on the local development of emerging markets (in Latin America, China, Algeria, Serbia, etc.). Our main topics are food and design. We have our own space in Milan, during EXPO, dedicated to Food Design Lab for companies and institutions. More information at foodesignlab.org
