## Bilateral Meetings

- Tuesday (09:00 am - 01:30 pm)
- Tuesday (14:00 pm - 17:00 pm)

### Description

**SYMBIOS (System for Market BIOeconomy Solution), the first Italian enterprise network for the promotion of scientific and technical tourism in the fields of agro-food industry, green chemistry and bio-economy.**

Mission of Symbios is to create an **innovative marketplace, hub of professional relationships** between Italian excellences in the agro-food supply chain and the international demand. The target will be reached through, meetings, seminars, workshops and **knowledge sharing** study visits

Companies and stake holders are selected for innovation, competitiveness, sustainable growth.

First placed in Milan Chamber of Commerce Expo Network Tender, Symbios network has been awarded for the thematic and innovative approach to the environmental development towards Milan Expo 2015

Services feature also the organization of study visits and technical meetings in Italian laboratories, farms and companies related to all the segments of Expo themes, agriculture, farming, food industry, green energy.
