- Tuesday (14:00 pm - 17:00 pm)

### Description

Thinkzone, located in the central area of Tianfu new city in Chengdu Hi-Tech Zone, started to be built in 1994. In 2005, it was rated to be the national technology and business service center, becoming the first state-ranked private incubator of the whole country. With the guideline of "creating new ideas, new technology and new enterprises", Thinkzone is actively exploring a new development mode for private start-up incubator community. Now Thinkzone has an incubating area and service facilities of 370,000 m<sup>2</sup>, accommodating over 500 enterprises, covering mobile internet, software R&D, digital media, electronic information, new material and etc. Besides quality services for companies under incubation, Thinkzone sets up VC departments, attracts financial institutions and jointly initiates China's first angel fund – China Incubator Investment Fund, and holds national entrepreneurial competition to build up a platform for financial institutions and start-up companies so as to efficiently concentrate technology, talents, finance and etc. to better promote the growth of companies under incubation. Thinkzone integrates incubation, park operation and financial services in five functional blocks of incubations, headquarters, technology platforms, hotels and apartments and entertainment to create a business community favorable for working, living, business start-up, relaxation and entertainment. Thinkzone utilizes incubator construction to support incubator operation, utilizes the profit from incubator operation to support VC investments, and utilizes effective VC investment to boost incubator construction. So far this strategy is proving successful for the company's sustainable growth and a bright future.
